Then, follow these steps to reset your password:

1. Enter your email address and click on the Reset Password button. An email will be sent.
2. Open your email and click on the Reset Password button in the message.
3. Type a new password that is between 8 - 64 characters long and contains a combination of letters and numbers in both the New Password and Confirm New Password boxes.
4. Click on the Change Password button.

A success message will appear. You can then click on the Go to Log In button to use your newly created password to log into ESP+.
