

Add Product to a Presentation

2023-01-11 - Jennifer M - Projects & Presentation

To add a product from within a project, you can use the search bar at the top to enter keywords, a product number, or coded product number.

The screenshot displays the ESP+ user interface. At the top, a dark blue navigation bar contains the ESP+ logo, a search bar with a dropdown menu set to 'Products' and the text 'two tone mug' entered, and icons for Collections, Projects, CRM, Help Center, Notifications, and Account. Below the search bar, a white box contains the text 'Here are some products I think you might be interested in!' and a 'Save' button. To the right, a white box contains a 'Distributor Logo Here' placeholder and a 'Distributor Company Name' field. Below these, there are settings for 'Include Signature' (checked), 'Expiration Date' (set to 2/4/2023), and an 'Edit Products' section. The 'Edit Products' section includes a 'Sort By' dropdown menu set to 'Sort' and tabs for 'All Products', 'Unseen Products', and 'Hidden'. Below the tabs, a grid of six product cards is displayed, each with an image, title, and price per unit for a specific quantity. The products are: EZ-Carry 20oz Stainless Steel... (\$22.82 for 48 units), 40 oz Tumbler with Handle and Straw... (\$28.583 for 100 units), Malmo Travel Mug - 16 Oz. (\$12.58 for 50 units), Travel Mug with Lid (\$14.717 for 100 units), 12 oz. At the bottom of the page, there are links for 'Support' and 'Feedback', and a copyright notice: '© 2023, The Advertising Specialty Institute®. All Rights Reserved.'

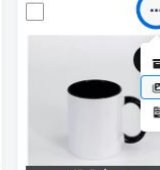

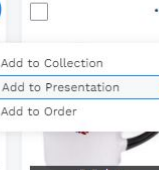

Once you've located the product you would like to include, use the meatball icon and select Add to Presentation.
