

Update Presentation Signature

2023-09-22 - Jennifer M - Projects & Presentation

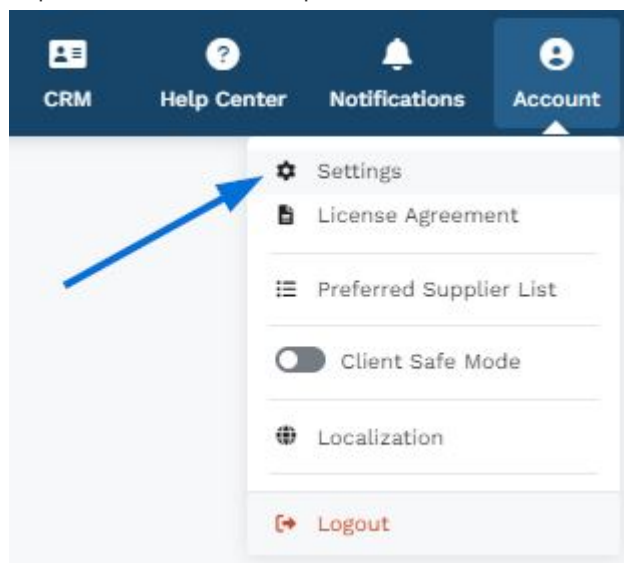

The presentation will display your company's information at the top of the Client Portal.

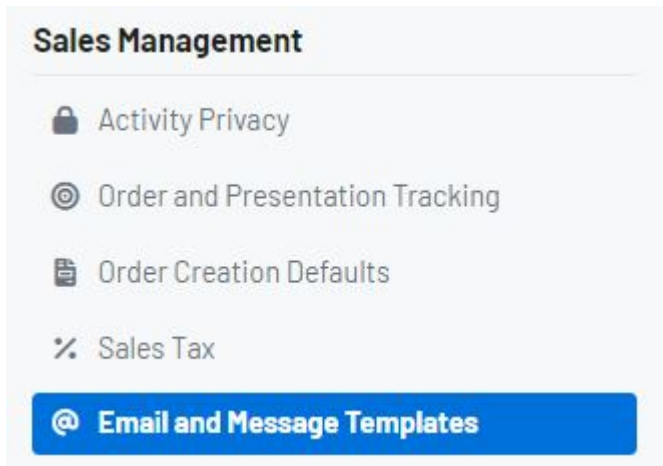

This information pulls from your company or personal signature in the Email and Message Templates settings.

To update the company information, log into ESP+ and take the following steps:

1. Expand the on Account options from the main toolbar and click on Settings.

2. In the Sales Management section, click on Email and Message Templates.

3. In the top section for Email Signature, there will be two options:
 - **Company Signature**
This is the template for all signatures throughout your company.
 - **Personal Signature**
This is your personal signature based on your company signature.
4. Locate the signature with the Active indicator and click on the Edit option.

Email Settings

A screenshot of the 'Email Signature' settings page. It has a title 'Email Signature' and a subtitle 'Your email signature will appear on all emails.' Below this is a toggle for 'Allow User Overrides' which is turned on. There are two signature sections: 'Company Signature' (Inactive) and 'Personal Signature' (Active). The 'Personal Signature' section is highlighted with a blue arrow pointing to its 'Active' status and a blue circle around its 'Edit' button. The 'Company Signature' section shows a sample address: 'ASI, 4800 Street Rd, Trevoze PA 19053, 215-953-3892'.
